>> Ready Mix Colors <<

Over the last few years some car manufacturers have selected colors that contain “special pigments” These pigments are not in our regular toner assortment.

Please contact Your Distributor / Branch to order the pre-mixed paint for these colors

Some Colors have variants which can be mixed using regular toners, formulas for these variants are provided below

Make	Color Name	Color Code	Special Tinter		Variants	Formula Availability
Holden	Poison Ivy	746S	NSQ302	Chromaflair Silver Green 060	1 Variant (C)	Standard is Ready mix (C) variant formula provided below
Ford	Obsession	OB	SEC6233	Chromaflair Blue Red 280	No Variants	Only Ready Mix
